Wholesale Confectionery/Foodstuff at Cash and Carry Prices for Merseyside Police Officers and Support Staff

Hancocks Cash and Carry specialise in the wholesale of confectionery, branded and own label products. There is no larger range of sweets and chocolates available in the UK!

Stocking all of the main brands from the leading confectionery manufacturers, Hancocks also sells a substantial range of pick and mix sweets under its Kingsway own label, including many old fashioned and retro sweets in addition to more contemporary children's favourites.

The Merseyside Police Federation have liaised with Hancocks who have agreed to offer 'cash and carry prices' to members of Merseyside Police, officers and support staff, on production of ID Federation Membership Card (which can be obtained from the Federation Office, Green Lane) or payslip, for confectionery, tea, coffee, biscuits and other foodstuff.
