The excess is applicable per person, per policy section to a maximum of £100 per insured incident.

## WHEN COVER STARTS AND ENDS

The Master Policy Certificate runs from 1st May 2011 to 31st March 2012 inclusive for all valid subscribing members of the scheme.

Cancellation cover starts from the time of booking a trip providing it is within the period of the Master Policy Certificate shown above and ends when **you** leave **your home** to commence the trip.

All other sections of cover start from when **you** leave **your home** to commence the trip. Cover applies for the duration of the booked trip (or earlier return to the **United Kingdom**) including the period of travel directly to the departure point and back **home** directly afterwards, not exceeding 24 hours in each case.

If **your** return is unavoidably delayed for an insured reason, cover will be extended free of charge for up to 30 days maximum providing it is within the period of the Master Policy Certificate shown above.

## WORKING ABROAD

This insurance is extended to cover work abroad of the member only as defined on page 4. This insurance does not extend to cover the business activities of any other family member, otherwise insured by the policy. **You** are not covered under the Personal Liability section when **you** are working.

## DISCLOSING RELEVANT FACTS

It is **your** duty to inform **us** of any fact, which is likely to influence **us** in the acceptance, assessment or continuance of this insurance. Failure to do so may invalidate this insurance, leaving **you** with no right to make a claim.

It is very important that this insurance provides adequate cover for **your** trip. To ensure that it does, and for **your** peace of mind, **you** must tell **us** as soon as possible about anything, which could give rise to a claim.

## MEDICAL CONDITIONS

This insurance contains restrictions regarding pre-existing medical conditions in respect of the people travelling and of other people upon whose health the trip depends.

**You** should tell **us** if the health of an **immediate relative** or health of any person on whom the trip depends, is undergoing or on a waiting list for in-patient treatment whether they are travelling with **you** or not. There is no cover in respect of anyone who has received a terminal prognosis.

In respect of **you** the insured travelling person **we** will not cover medical problems referred to in the Health Warranty unless this was declared to **us** and accepted by **us** in writing.

**You** are advised to read the Health Warranty contained in this policy. If **you** are in any doubt as to whether a medical condition is covered **you** must contact the Medical Screening Service on 0845 643 2634.

## HEALTH WARRANTY

If any of the following apply to **you** or a travelling companion, the medical assessors must be contacted.

1. **You**/they were aware of any reason why the trip could be cancelled or curtailed or of any medical condition which could

result in a claim.

2. **You/they** have, during the 12 months before this insurance started, suffered from, received treatment, advice or medication for any chronic or recurring illness. (A chronic condition is one lasting three months or more).
3. **You/they** were travelling against the advice of a medical practitioner or in order to get medical treatment abroad.
4. **You/they** have been diagnosed as having a terminal illness.
5. **You/they** were receiving, recovering from, or on a waiting list for in-patient treatment in a hospital or nursing home.
6. **You/they** were waiting for the results of tests or investigations, or awaiting a referral for an existing medical condition. Failure to contact **us** could leave **you** with no right to make a claim, and may mean that **you** travel with insufficient cover.

## CHANGE IN HEALTH

If any of the reasons stated in the Health Warranty above occur between the date the policy is issued and before the first day of **your** trip, **you** must notify the Medical Screening Service immediately on 0845 643 2634.

**We** will then decide if **we** can provide **you** with cover on existing terms. **We** may add special conditions to the policy or exclude cover for that medical condition. If **we** cannot provide cover, **you** can make a cancellation claim if **you** have booked and paid for a trip that **you** have not yet made.

**We** reserve the right not to extend the policy where the booked trip could be detrimental to **your** well being.

### HELPFUL SAFETY HINTS

1. Never leave your belongings unattended or with strangers, especially at airports and on the beach, nor in vehicles.
2. If you are taking valuable items such as jewellery or camcorders on holiday, you should insure them under an All Risks section of your household contents insurance.
3. Do not pack valuables, money and fragile items in the baggage that you intend to check in at the airport etc. Keep them with you at all times during your journey.
4. If you need regular medication, take enough with you to last your holiday. You should also take an extra supply that should be packed separately in case you lose your first supply.
5. Check that the tap water is safe to drink. Unless you know it is safe, always drink bottled water and avoid ice in your drinks or cold food that may have been washed, such as salads.
6. The sun abroad can be much more powerful than you are used to at home, particularly if you are on the water. To prevent sunburn and sunstroke, use plenty of sun cream and take care not to stay out in strong sunlight for long.
7. Think before you dive into water, check the depths of swimming pools and the sea and only dive if you are sure the water is deep enough.
8. Check your baggage for damage each time you reclaim it. Any damage should be reported immediately and a Property Irregularity Report obtained.
9. Leave in plenty of time to get to the airport/port by the earliest stated check-in time, allowing for the time of day and available travel information.

10. Do not carry more cash than you need and use travellers cheques or charge cards if possible. Use safety deposit boxes whenever they are available.

### TOP TIPS TO PROTECT YOUR HOME WHILST YOU ARE AWAY

- Put timers on some light switches. This may give the impression that people are home during the night.
- If you are away from your house for more than a few days, arrange for a friend or neighbour to collect your mail so it does not build up near the front door.
- Never leave an outgoing message on your answer phone saying you are away. You never know who may be calling!
- Always check that window and door locks are in full working order.
- Make sure you have adequate home insurance. Many people are underinsured without realising it. Walk around your home room by room and add up the cost. Often direct home insurance providers offer cheaper premiums for less cover. You may not get the cover you expect. Also if you deal direct with an insurer, whose side will they be on when it comes to a claim? Philip Williams & Company have policies available with a panel of several insurers and will always mediate if there is ever a dispute.
